Night Bowfishing Trips in East Central Wisconsin!

Nobody Goes Just Once!

About the Sport...

Do you want to experience one of the most exciting, action packed, addicting sports available to archers today? Want to shoot fish until your arms get tired? Then now's the time to book your trip with GAR-GIT-R Bowfishing Charters!

Most archery enthusiasts have at one time or another had a chance to chase after spawning carp in the spring with stick and string. What most don't realize is that this is just a small window of opportunity for bowfishing. In the last several years, laws have changed in order to allow bowfishing

GAR-GIT-R owner— Greg Baneck with a 34 pounder taken on a night shoot.

for rough fish at night. This has allowed archers to pursue fish for much of the open water season. Since rough fish move

shallow at night to feed, there's no better time to go after them!

If you're curious about the sport, and want to give it a try before making the investment in equipment, or if you're just looking for a great time... book your trip with GAR-GIT-R Bowfishing today!

Until you've bowfished at night... you've really never experienced bowfishing at its best!!!

The Details....

- Trips primarily on Lake Poygan, Lake Butte des Morts, Lake Winnebago, and the Fox and Wolf Rivers aka "The Winnebago System"
- Can accommodate up to 4 shooters per trip
- Fish disposal provided
- Equipment provided as needed
- Kids welcome
- Great off-season practice!
- Species include carp, gar, buffalo, sucker, quillback, shad, and sheepshead or drum
